Matt

It's been a long time.  I see that you are counsel of record for Centerline Architectural Supply in the dispute with RNA Real Estate up in Rusk County.

My firm has been retained as local counsel as of late yesterday afternoon to assist the lawyers at Hinckley Allen (Christine Bush and Jennifer Doran) in defense of RNA Real Estate. We have the Summons and Complaint but noticed that you filed a motion for a temporary restraining order yesterday.

I know very little at this point so at some point it would make sense for us to chat on the phone with Christine Bush (who will be leading our brigade) to talk about this matter. In the meantime, would you please send me courtesy copies of your filing from yesterday. We object to any ex parte process over your motion and would want to be heard.

Thanks Matt. We look forward to working with you on this one.

Joe
